DIRECTIONS

Exit school and run along Church Road onto Beckspool Road, at the end follow it round to the right onto the ring road cycle path.

Follow the cycle path round to the traffic lights, and cross over at the lights, going left onto the cycle path.

Leave the cycle path on the second footbridge and cross over onto Church Lane and follow this road until it reaches Bury Hill.

Turn left onto Bury Hill and follow it into Moored Road and then when you reach the common, turn left into Worrells Lane and the left again into Whiteshill.

Staying on this road and following round to the left comes back out at the Hambrook traffic lights.

Go straight over, and then straight ahead along Bristol Road until you reach the mini roundabout, where you go left along Begbrook Park, right into Pearces Hill and back to school via the pub.
